I. PURPOSE AND SCOPE

This procedure establishes the process used by the National Spent Nuclear Fuel Program (NSNFP) for conducting internal reviews of documents developed and approved externally.

II. SUMMARY

The NSNFP Program Support Organization (PSO) provides the infrastructure necessary to support the review of documents received from an external source by the NSNFP Management Organization, the NSNFP PSO, or the NSNFP Quality Assurance Staff (QAS) Organization.

This procedure describes the process for releasing an *external document* (see glossary) for internal review and comment resolution. The procedure addresses interfaces with external sources for communication and resolution of comments.
